

How to enable JavaScript in your browser

“ All IEC/Rozgar-Diwas web pages contain JavaScript/JQuery, a scripting programming language that runs on visitor's web browser. It makes web pages functional for specific purposes and if disabled for some reason, the content or the functionality of the web page can be limited or unavailable. Here you can find instructions on how to enable (activate) JavaScript in five most commonly used browsers.

Google Chrome

Internet Explorer

Mozilla Firefox

Apple Safari

Opera

Instructions for IEC/Rozgar-Diwas Users

We want our visitors to have JavaScript enabled in their Browser !
